

Quizzing

Join us at WinterNationals 2012 for a great time of quizzing, games, and fun in the snow.

This is a great tournament to reconnect with quizzers you have met at Internationals. It is also really great for practicing your skills as you get ready for internationals, or to expose kids who haven't made internationals yet to what quizzing can be like at that level. It is also a fun time for everyone involved, no matter what level of quizzing you are at.

More information can be found online at the website.
